

Swap your sniffer for savings.

Looking to stretch your IT budget?

Trade in your DDS or InfiniStream® and receive up to €5,000 off the list price of a new GigaStor™.

Put your old hardware to good use by getting a great deal on GigaStor today. These savings are only around until December 28, 2009.

Reduce your maintenance costs and mean time to repair with the latest in proactive performance management.

Euro Trade-In Values

	GigaStor 2TE Discount	GigaStor Discount
Sniffer DSS	€1500	€2500
InfiniStream	€2500	€5000

With GigaStor:

- Capture, store, and replay up to 288 TB
- Rewind your network to troubleshoot sporadic issues
- Isolate and resolve problems with robust expert analysis
- Obtain long-term performance analysis for capacity planning

Act now. The Network Stimulus offer expires December 28, 2009.

Contact your Network Instruments® partner or visit www.NetworkInstruments.com/stimulus for more details.

Network Stimulus Terms and Conditions
 This offer may not be combined with any other Network Instruments promotion or discount. One DSS or InfiniStream list price reduction may be used per GigaStor purchase. Orders must be received by December 28, 2009, and trade-in product received by January 29, 2010. Please note that Channel Partner discounts are based off the adjusted list price, and credit will only be issued after Network Instruments has received the trade-in unit. © 2009 Network Instruments, LLC.
